**About Retail Holdings**

The Company is a holding company with three principal assets: 1) a 56.8% equity interest in Singer Asia Limited, (“Singer Asia”), a distributor of consumer durable products in selected emerging markets in Asia, with consumer credit and other financial services available to qualified customers; 2) seller notes, primarily arising from the sale of the Singer® world-wide sewing business and trademark; and 3) cash and cash equivalents. The Company has no operating activities other than those carried out through Singer Asia.

The Company is a Netherlands Antilles public company which is the successor company to the Singer Company N.V. and its predecessor companies. The Company, formerly known as Singer N.V., changed its name to Retail Holdings N.V. following the sale of the sewing machine business and the Singer® trademark in September 2004.

Price quotations for the Company’s shares are available on the “Pink Sheets” quotation service under the symbol “RHDGF”. Brokers should be able to continue trading ReHo’s shares using the “Pink Sheets” quotation service as long as the Company is current in submitting to the U.S. Securities and Exchange Commission the materials that it makes available to its shareholders or is required to file under its own country jurisdiction. Even to the extent that quotations on the “Pink Sheets” service continue, there is no assurance that there will be adequate liquidity or that there will not be wide swings in prices and significant differences between “bid” and “asked” prices, which will make trading difficult and could cause prices for the Company’s shares to deviate substantially from their theoretical inherent value.
